

Sustaining Gift

Announcing an easier way
to make your gift to
Michigan Radio

Why make a Sustaining Gift?

The ease and convenience—Sustaining gifts are charged automatically to your account each month (until you tell us to stop).

The impact—By reducing postage and mailing costs, recurring gifts enable Michigan Radio to spend less on overhead, directing more money toward the programs you support.

The difference—Spreading your support over time is easier on your budget and ensures ongoing, reliable revenue for the programs that are important to you.

What Payment options can be used?

Gifts can be made through your checking account (ACH) or credit card. We accept Visa, MasterCard, American Express and Discover.

Is a Sustaining Gift reliable?

Yes, it is safe and secure. The University of Michigan is PCI-compliant and stores only enough of your credit card information to complete each transaction.

How do I set up a recurring gift?

Complete the form below with your signature for either credit card or ACH payments and return it to Michigan Radio.

When will I receive a receipt?

You will receive one consolidated receipt for your sustaining gifts. Receipts are sent out in late January for gifts made the previous year.

What happens if I have an updated account or credit card or I want to modify my gift?

If you change your checking account or credit card please submit a new form. Please call us toll-free at 866-203-1136 if you wish to change accounts or cancel your participation.

To begin your sustaining gift, simply complete this authorization form, attach a ***voided** check (if paying through your checking account) and return it to the following address:

Michigan Radio
The University of Michigan
535 W. William Street, Suite 110
Ann Arbor, MI 48103-4978

*If you prefer a photocopy of a **voided** check can be used for account verification.
